

DORIC FOUNDER NEW VESTINAS MANAGING DIRECTOR

Press Release | 4 September 2017

Offenbach – Bernd Reber has been appointed Vestinas Managing Director as 1 September 2017. Vestinas is the Doric group's online platform.

As a founding shareholder of Doric, and Managing Director of the group's parent company, Bernd Reber's responsibilities include risk management and fund administration. He will now be able to bring his considerable experience to bear on behalf of Vestinas.

At the same time Andrea Lindlmaier is stepping down as Vestinas Managing Director. Having contributed to the set-up of Vestinas in its start-up phase, she will change her focus to other tasks within the Doric group.

Axel Wünnenberg remains as Managing Director of Vestinas. As a real estate economist and a member of the Royal Institution of Chartered Surveyors (MRICS), Axel Wünnenberg has been with the Doric group for many years. He is responsible for real estate acquisition and portfolio management.

Following the prompt placement of the Julianapark bond, further Vestinas offerings are expected shortly. Further information is available at www.vestinas.com.

About Vestinas

Vestinas is Doric's online investment platform. Doric offers tailored investments and AIF solutions in the areas of transportation, real estate and renewable energy. At present, Doric manages real assets with an investment volume of over USD 8.5 billion. With offices in Germany, the UK and North America, Doric is well-positioned to implement cross-border investments.
