

# VESTINAS BOND QUICKLY SUBSCRIBED

**Press Release | 8 October 2018**

Offenbach – Vestinas has again been able to place its securities issue within a short period of time – this although the volume of the bearer bond Gesundheitszentren Berlin was double that of the last project at EUR 5 million.

Axel Wünnenberg, Vestinas Managing Director in charge of procuring the assets, commented on the full placement: "It seems the online subscription of a bond, which is booked directly into the investor's custody account, is very popular as it is convenient, dispensing with lots of bureaucracy. We have been pleasantly surprised by the extremely positive response to our new project and the speed at which it was fully subscribed."

Vestinas, a Doric Group company, hopes to be able to offer quality investment opportunities at shorter intervals even in a challenging market.
